

SundhedsRådets forslag til forsknings links:

NB: Det kan være vanskeligt at kategorisere databaserne under en enkelt behandlingsform, da de fleste databaser samler forskning fra flere forskellige slags KAM. Men her er en grov opdeling, samt en liste over blandede databaser og de generelle søgemuligheder, som vi har talt om på vores møder.

Kranio sakral terapi:

Vi kan oplyse at Foreningen af Kranio-Sakral Terapeuter i perioden 2005 - 2011 deltog i projekt "Behandling på tværs."

Find links til dokumenter, artikler og resumeer på www.scleroseforeningen.dk/behandlerteam.

Yderligere udkom i marts 2011 en bog "Behandling på tværs" ISBN: 978-87-88330-01-4.
